ELITE TRAVELLER® PLUS  
AND  
ELITE TRAVELLER® PLUS HD

**Go-Go Elite Traveller® Plus  
3-Wheel**  
Shown in Red.

## The next generation travel scooter.

The **Go-Go Elite Traveller® Plus** was designed to bring travel scooters to a greater range of people than ever before. An increase in length and width, and a weight capacity of 300 lbs. (325 lbs. w/HD version) combine with wraparound delta tiller to allow both the larger individual and those with limited dexterity to experience the benefits of a travel specific mobility product for the first time. Feather-touch disassembly makes the Go-Go Elite Traveller® Plus the easiest travel scooter to take along anywhere.
